Dear Rev. Father,

HEALTH CARE CHRISTIAN FELLOWSHIP OF LANKA
245/12-1/2, HILL HOUSE GARDENS,
DEHIWELA,
SRI LANKA

Greetings to you in Jesus' Name!

Healthcare Sunday or St. Luke's Sunday- 16th October 2022

Healthcare Sunday (16th October this year) is an annual opportunity for churches to acknowledge, affirm and support the work done by members of your congregation and local community who work in health and social care. In your congregation you will almost certainly have doctors, nurses, care assistants, social workers, occupational therapists, hospital administrators, porters, cleaners, ward secretaries, laboratory staff or chaplains, and people serving in many other roles.

After two years where we have seen the vital work that health and social care staff have been doing in the midst of the COVID-19 crisis, *Healthcare Sunday* is a great opportunity for us to celebrate their work and give thanks to God.

Therefore, we as Healthcare Christian Fellowship of Lanka will be happy to send a Healthcare Staff to preach the Word/share the vision of HCF/lead in a time of intercession, on Sunday the 16th, October, or any other Sunday during that month, to the churches coming under your purview. However, since there is only a limited number of Christian Healthcare Staff, we will be able to send them to a limited number of Churches only on first come first served basis.

Our desire is to be the servant of the Church in this area of ministry. Please be good enough to let us know whether we could send a Healthcare staff to minister in the churches coming under your jurisdiction. Also, a list of prayer requests is enclosed which could be used during the time of intercession.

Kindly let us know by letter/email(hcfsrilanka@gmail.com) before the 30th of September. You may also call Raja John on 0714333320 or 0112737555)

May the Lord bless the ministry of your Church.

Yours sincerely,

N.k fernando

PRAYER GUIDE FOR THE HEALTH FIELDS OF SRI LANKA
HOSPITAL IS A RIPE MISSION FIELD

Our Lord Jesus Christ taught us to pray for 'God's Kingdom' to come and 'God's Will' to be done on earth as it is in heaven. Therefore we as Christians need to pray and work towards the desire of the Lord in our lives, in our homes, our neighborhoods, work places, our country and the whole world.

The Healthcare Institutions are a crucial place in the lives of many who go there for treatment. Hence God's Kingdom principle's should operate there so that the needs of the spirit, soul and body of the patients would be met in the best (possible) and earliest (possible way)

Therefore please pray for –

1. **Good Administrators** who would be God fearing men and women of integrity acting righteously. Pray for God's wisdom and guidance in all endeavours especially for development activities.
2. **Doctors** to be giving of their best – (time, treasure & talents). Pray for right attitudes.
3. **Nurses** to be caring, seeking to alleviate suffering of the patient's. Pray for ability to get the work done by the minor staff.
4. **Para medical workers** - Lab technicians, Pharmacists, Physiotherapists etc. to see themselves as a crucial link in patient care and would give of their best – not counting the cost.
5. **Minor staff** would be motivated to meet all the needs of the patients with compassion & kindness.
6. All who know Jesus as their Lord & Saviour would realize their God given purpose and would meet together to pray and encourage one another to be like Jesus and to share the Good news about our Lord Jesus Christ with their patients and colleagues.
7. Pray against all forces of darkness that act against the advancement of God's Kingdom in the health fields.
8. Pray against strike action in the health fields which results in the suffering of patients and also for the grievance of health workers to be addressed by those in authority in a righteous manner.
9. Pray that mission minded believers will be motivated by the Holy Spirit to study and be trained to become Doctors, Nurses, Lab technicians, Xray technicians, Pharmacists, Physiotherapists, Attendants etc.
10. Pray that mission minded believers will choose to be trained as By-Standers for patients in hospitals so that they will be able to give Christlike care and share the gospel with patients which will also give them an income (Like Paul's Tent making ministry)
11. Pray that the Churches will be able to build a good rapport with the management staff of the hospitals in their areas by conducting 'shramadanas' etc., in hospital premises.
12. Pray that the doors will be opened for Churches to conduct Christmas carols, Easter programmes etc., in the hospitals during the appropriate seasons.
13. Pray that missionary minded Christian Healthcare staff will choose to come and serve in hospitals where there is no Christian witness.

If you wish to continue to uphold the health fields in prayer please write to

இலங்கை சுகநல சேவை - ஜெப வழிகாட்டி
வைத்தியசாலை இறைபணிக்கு சாதகமான ஒரு இடம்.

ஆண்டவர் இயேசு நமக்கு “உம்முடைய இராஜ்ஜியம் வருவதாக, உம்முடைய சித்தம் பரமண்டலங்களில் செய்யப்படுவதுபோல் பூமியிலும் செய்யப்படுவதாக.” என்று ஜெபிக்க கற்றுக் கொடுத்தார். அதனால் கிறிஸ்தவர்களாகிய நாம், அவருடைய சித்தம் நம் வாழ்க்கையில், நம் வீட்டில், நம் அயலில், தொழில் ஸ்தலங்களில், நம் நாட்டில், முழு உலகத்திலும் நடக்க வேண்டும் என்று ஜெபிக்கவும் அதற்காக பிரயாசப்படவும் அழைக்கப்பட்டிருக்கிறோம்.

சிகிச்சைக்காக சுகநல சேவை மையங்களுக்கு வருபவர்களுக்கு அந்த இடம் அவர்கள் வாழ்க்கை முழுவதும் மறக்க முடியாத முக்கியமான ஒரு இடமாகத்தான் இருக்கின்றது. எனவே நோயாளிகளின் ஆவி, ஆன்மா மற்றும் உடலின் தேவைகள் சிறந்த மற்றும் சாத்தியமான வழியில் பூர்த்தி செய்யப்படும் வகையில் கடவுளுடைய ராஜ்யக் கொள்கைகள் அங்கு செயல்பட வேண்டும்.

ஆதலால் பின்வருவனவற்றிற்காக ஜெபிப்போம்.

1. உண்மையையும் நீதியையும் நடப்பிக்கின்ற, கடவுள் பயமுள்ள, சகோதர சகோதரிகளை தலைமைப்பீடங்களில் உருவாக ஜெபியுங்கள். முன்னேற்ற நடவடிக்கைகளில் கடவுளுடைய முழுமையான வழிநடத்தலும் ஞானமும் இருக்கும்படியாக ஜெபியுங்கள்.
2. வைத்தியர்கள் தங்களால் இயலுமான சேவையை முழுமையாக செய்யவும், தங்களுடைய நேரம், தாலந்துகள், மற்றும் பொக்கிஷங்களை கடவுளுக்கென்று பயன்படுத்தவும், அவர்கள் மத்தியில் தேவ பணிகுறித்து சாதகமான மனப்பான்மை காணப்படும் படியாகவும் ஜெபியுங்கள்.
3. தாதி உத்தியோகத்தர்கள் நோயாளிகளின் வேதனைகளை உணர்ந்து பராமரிக்கவும், அன்புநிறை கவனிப்பை வழங்கவும், தேவ இராஜ்ஜிய பணி இவர்கள் மூலம் பாரிய அளவில் முன்னெடுக்கப்படுவதற்கு வேண்டிய ஆற்றல் உருவாகவும் வேண்டி ஜெபியுங்கள்.
4. ஆய்வுகூடப்பணியாளர்கள், மருந்தாளர்கள், இயன் மருத்துவத்துறையினர் (PHYSIOTHERAPISTS) போன்ற துணைமருத்துவ பணியாளர்கள் தமக்கு நோயாளிகளுடன் இருக்கும் நெருங்கிய தொடர்பை புரிந்துகொண்டு பிரதிபலன் எதிர்பாராத சேவையை அர்ப்பணிப்புடன் செய்யும்படியாக ஜெபியுங்கள்.
5. சிற்றுழியர்கள், தாங்கள் நோயாளருக்கு செய்யும் பணிகளை அன்போடும் அர்ப்பணிப்புள்ள பராமரிப்புடனும் செய்யும்படியாக ஜெபியுங்கள்.
6. இரட்சகர் இயேசுவை அறிந்த யாவரும் தங்கள் வாழ்க்கையில் தேவன் ஒரு திட்டத்தை வைத்திருக்கிறார் என்பதை உணர்ந்து, தமக்குள் ஒன்றுகூடி ஜெபித்து, ஒருவரை ஒருவர் உற்சாகப்படுத்தி, சுவிஷேசத்தை அறிவிக்கிறவர்களாக நோயாளர் மத்தியிலும் உடன் பணியாளர்கள் மத்தியிலும் காணப்படவேண்டும் என்று ஜெபியுங்கள்.
7. சுகநல சேவை ஸ்தலங்களில் கிறிஸ்துவின் இராஜ்ஜிய முன்னேற்றத்திற்கு தடையாக விளங்குகின்ற எல்லா அந்தகாரத்தின் அதிகாரங்களையும் இயேசுவின் பாதபடிக்கு கீழ்ப்படுத்தி, ஜெயம் உண்டாக ஜெபியுங்கள்.
